**NOFA – Resident Service Coordinators Addendum #4 – Questions and Answers Part III**

**Q. I was wondering if a part time executive director would be eligible this position?**

A. The RSC award cannot be used to pay for additional hours for a part-time executive director to serve as RSC at the same LHA for which they serve as executive director.

Part-time executive directors may serve as RSCs at LHAs other than where they serve as executive director provided that combined hours from both positions do not exceed full-time work.
