## INDEX TO ARMY RECORDS

"Fold up the banners! Smelt the guns!  
Love rules. Her gentler purpose runs.  
A mighty mother turns in tears  
The pages of her battle years,  
Lamenting all her fallen sons."

## FOREWORD

This volume is an index to the Army records only, in Volumes I to VI and a part of Volume VII of MASSACHUSETTS SOLDIERS, SAILORS, AND MARINES IN THE CIVIL WAR. Such an index was made imperatively necessary because of the fact that the records of the officers and men in the Army appear scattered through the various units in which they respectively served. In this index after each name there appears in a roman numeral the volume and in an arabic numeral the page where the man's record appears. In many cases the same name appears in several volumes and on several pages in each volume. Here, when the man's company and regiment are not known, the examiner must determine from the age, occupation, residence, etc. which is the soldier of whose record he is in search.

The names of the officers and men who served in the Navy and Marine Corps are not indexed. These names with their accompanying records are arranged in three blocks alphabetically. The records of Massachusetts officers in the Navy begin on page 419 of Volume VII and continue to page 533 of that volume. Those of the enlisted men in the Navy begin on page 534 of Volume VII and continue to page 887 of Volume VIII. Those of the officers and enlisted men in the Marine Corps begin on page 888 of Volume VIII and continue to the end of that volume.

It is hoped that this brief foreword will make the index intelligible to the user.

*The Adjutant General.*
