

By Mr. Swan of Springfield petition of Benjamin Swan and other members of the General Court for legislation to establish an office of youth development within the Executive Office of Health and Human Services. Human Services and Elderly Affairs.

**The Commonwealth of Massachusetts**

In the Year One Thousand Nine Hundred and Ninety-Nine.

AN ACT TO ESTABLISH AN OFFICE OF YOUTH DEVELOPMENT.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. *Whereas*, analysis of current social and health  
2 status indicators indicate that an unacceptable number of urban  
3 youth are becoming involved in the criminal justice system, experi-  
4 encing high rates of homicide and suicide, engaged in violence  
5 and anti-social behaviors, becoming abusers of drugs, alcohol and  
6 tobacco, experiencing a high rate of pregnancies and sexual trans-  
7 mitted disease, and leaving school without marketable skills.  
8 There is clear and present danger that the current socio-economic  
9 status of this generation of urban youth will have a negative  
10 impact on the general well-being of the entire society of the  
11 Commonwealth; and

12 *Whereas*, public schools have historically been in place as the  
13 above stated phenomenon developed, and in spite of the many  
14 changes implemented and proposed, do not present the model nor  
15 infrastructure needed to provide an appropriate model to amelio-  
16 rate the situation with urban youth; and

17 *Whereas*, the current negative social, economic and health  
18 status indicators for urban youth may be defined as predictors for  
19 negative future social and economic outcomes; and

20 *Whereas*, violent behaviors, both as victim and perpetrators,  
21 substance abuse, teen pregnancy and infant mortality, sexual  
22 transmitted disease, delinquent behaviors, and suicide are clearly  
23 identified as public health concerns, therefore
