### RESOLUTIONS FAVORING INCREASE OF BICYCLE IMPORTATION TARIFF.

*Whereas*, The bicycle industry represents the backbone of business in several small towns and represents considerable business to several cities within the Commonwealth; and

*Whereas*, Many bicycles are being made and brought into the United States from several foreign countries; and

*Whereas*, The rates of pay in these countries for the fabrication of materials and the building of the bicycles is greatly less than the prevailing rates in the United States, therefor making it impossible for the manufacturer in this country to compete in this business; therefore be it

*Resolved*, That the Massachusetts House of Representatives hereby strongly protest any tariff reduction and favor an increase on the bicycle importation tariff; and be it further

*Resolved*, That copies of these resolutions be sent forthwith by the Secretary of State to the members of Congress from this Commonwealth.
