RE: Request for Emergency Fall River Procurement

Dear Commissioner Gladstone,

I would like to formally request your certification that an emergency situation exists at the Registry of Motor Vehicles (RMV) branch in Fall River, and that you waive the statutory advertising requirement in connection with replacement space. Upon review of the emergency procurement provision under G.L. c. 30B, §8, and G.L. c. 7C, §33, we believe our current situation within the Fall River branch qualifies under these provisions.

On June 12, 2015, the RMV was notified from the Fall River Property Manager, Shannon Khoury, that Durfee Union Mills S & S Ltd., Inc. will not be renewing the current short term tenancy agreement which is due to expire on September 30th, 2015. The landlord is entering into a twenty (20) year leasing agreement with another tenant and is requiring we vacate the premises upon the expiration of the current agreement. This recent notification has put the RMV in a precarious situation with limited time to procure and relocate to new space in order to continue the services currently provided within the Fall River RMV branch.

This Fall River branch serves Southeastern Massachusetts and supports over ten thousand (10,000) customer transactions per month. It is imperative that the RMV continue to operate within a facility which can serve this particular market and the surrounding communities. In the event that this facility is forced to cease operations, due to the inability to rapidly procure a new branch location, the RMV's operations would suffer tremendously and consequently affect the operational scheme of the entire Registry of Motor Vehicles.

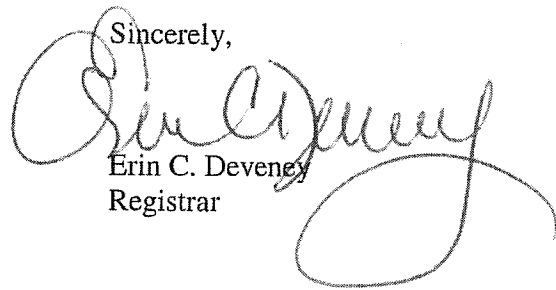

The RMV would like to propose utilizing an emergency procurement to expedite the immediate relocation of the Fall River branch. The RMV is seeking 12,000-15,000 usable SF of space, and would like to expand the search are to include the entire city of Fall River. It is our expectation to procure a space that meets the specific requirements which will be set forth in the IFP, including a lease agreement for a ten (10) year term. If procuring space for a ten (10) year term is

unsuccessful, the RMV will agree to a shorter term in order to protect the integrity of our operations and the continuation of our services to the patrons of this Commonwealth.

Thank you in advance for your immediate assistance with this matter. Please do not hesitate to contact me if you have any further questions or concerns, or if you require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin C. Deveney". The signature is fluid and cursive, with a large loop at the end.
