

# HOUSE . . . . . No. 307

---

By Mr. Serlin of Boston, petition of I. Edward Serlin that the Massachusetts Board of Regional Community Colleges be directed to construct a new community college in the Dorchester section of the city of Boston. Education.

---

## **The Commonwealth of Massachusetts**

---

In the Year One Thousand Nine Hundred and Seventy-Two.

---

AN ACT PROVIDING FOR THE CONSTRUCTION OF A NEW  
COMMUNITY COLLEGE IN THE DORCHESTER SECTION OF THE  
CITY OF BOSTON.

*Be it enacted by the Senate and House of Representatives in  
General Court assembled, and by the authority of the same, as  
follows:*

- 1 The Massachusetts board of regional community colleges is
- 2 hereby authorized and directed to construct a new community
- 3 college in the Dorchester section of the city of Boston.

# HOUSE No. 1017

The house is a two-story structure of brick and stone. It was built in 1880 and is in good condition. The roof is made of asphalt shingles and is in good condition. The exterior walls are made of brick and stone and are in good condition. The interior walls are made of plaster and are in good condition. The floor is made of wood and is in good condition. The house is located on a lot of 10,000 square feet. The lot is in good condition and is surrounded by a fence. The house is a good example of a two-story brick and stone house built in 1880.

## The Construction of the House

The house was built in 1880 and is a two-story structure of brick and stone. The exterior walls are made of brick and stone and are in good condition. The interior walls are made of plaster and are in good condition. The floor is made of wood and is in good condition. The roof is made of asphalt shingles and is in good condition. The house is located on a lot of 10,000 square feet. The lot is in good condition and is surrounded by a fence. The house is a good example of a two-story brick and stone house built in 1880.
