DESCRIPTION OF PROPERTY:

In 2018, the Newton Housing Authority (NHA) was approached with a request to acquire the 33-unit CAN-DO (Citizens for Affordable Housing in Newton Development Organization) real estate portfolio currently managed by Metro West CD. The Boards of CAN-DO and Metro West CD disaffiliated in 2018. The CAN-DO Board, the City of Newton, and the NHA are committed to retaining this important resource of affordable housing and preserving the tenancies of the residents. Parties of beneficial interest are the Board of the Citizens for Affordable Housing in Newton Development Organization (CAN-DO). (unique)

ESTIMATED VALUE, SOURCE OF VALUATION:

Acquisition: \$1,691,863 (negotiated value of repayment of existing 1st mortgages).

ADDITIONAL INFORMATION The NHA has determined that advertising will not benefit the local jurisdiction as this acquisition meets the definition of a unique acquisition. This determination is based on the unique qualities of the CAN-DO affordable housing portfolio, as well as the NHA's unique opportunity to acquire the units as one portfolio to be incorporated into its other affordable housing management program portfolio with financial assistance from the City of Newton's CPA and CDBG programs. This 33 unit portfolio is located in 12 scattered site properties throughout the City of Newton consisting of 1, 2, and 3 bedroom units for households under 50%, 65% and 80% of AMI.
