MICHAEL S. DUKAKIS
GOVERNOR

Dear Friends of Massachusetts Agriculture:

All over the Massachusetts countryside, farmers, their neighbors and their city friends are ready for another exciting and educational season of agricultural fairs, exhibits and shows.

It's all part of the celebration of the great diversity, innovation and tradition which characterizes Massachusetts agriculture in the 1980s.

In that spirit, I join the members of the state's agriculture and horticultural societies in welcoming you to attend the nearly 100 events scheduled on the 1987 Massachusetts Agricultural Fairs calendar.

Members of our agricultural youth organizations - 4-H, the Future Farmers of America and the Junior Granges - will share with you all they have learned about the art and the love of farming.

There is something for everyone. Our country fairs provide you and your families with an opportunity to see agriculture in action, to appreciate the works of artisans and craftspeople and experience the vitality of rural Massachusetts.

All in all, a visit to one or more of our agricultural events this season, promises to be a meaningful and enjoyable family outing.

See you at the fairgrounds!

Sincerely,

Michael S. Dukakis
Governor
