PROJECT:

The project location has been determined to have contaminants in excess of allowable levels at or near the ground surface. To remedy this it is proposed that an additional two feet of clean material be added to the entire site excluding paved areas. The goal is to bring the site to a level of "no significant risk" as defined by the Mass Contingency Plan. After the completion of capping operations, all existing playing surfaces will be restored. The site includes a first-class softball field, a paved skate park area and a basketball court.

Unique. Acquisition of fee simple interest in 131+ acres of land with 76,216 square feet of usable space including a horse barn, two animal barns, and equine riding arena, manor house and two animal run-in sheds within the so called Hadley Farm currently owned by The University of Massachusetts Foundation, Inc. Location of property: 111 North Maple Street, Hadley, Massachusetts. The University of Massachusetts Foundation, Inc. is the party holding the beneficial interests in the property to be acquired for the purposes of M.G.L. c. 7, § 40J.

ESTIMATED VALUE, SOURCE OF VALUATION:

To be determined

ADDITIONAL INFORMATION

UMass has asked DCAM to acquire the property located adjacent to its campus on the westerly side of Route 116, across from its football stadium facilities. UMass has previously leased the premises for its College of Natural Resources and the Environment education programs. UMass has an immediate need to continue these programs and incorporate its Veterinary and Animal Science Department educational programs being relocated from its central campus. UMass has allocated funds within its Capital Outlay Budget and has designated this property as a strategic acquisition within its five-year capital plan. The best interest of the Commonwealth would be served by an expedited acquisition of this property. The Commissioner of DCAM determines that the qualities and location of the above-referenced property are unique under M.G.L. c. 7, § 40H and that applicable advertising requirements may therefore be waived.
