* The population covered in this dashboard includes only inmates incarcerated in a MA DOC facility who occupy a bed on the date of the report. Out of DOC represents the count of inmates who are transferred outside of the DOC for a long term period of time, inmates who are transferred to a remand and inmates who are released to an outside hospital. Cell Capacity is defined as housed in a cell: (i) alone; (ii) with one (1) other person; or (iii) with two (2) or more other people. Due to rounding, percentage totals may not always add up to 100 percent in all tables. ...

MA DOC Custody, COVID-19 Facility Cell Housing Reports by Date

The H4672 Act Addressing COVID-19 Data Collection and Disparities in Treatment

Population: The population covered in this dashboard includes all inmates incarcerated in a Massachusetts DOC facility who occupy a bed on the date of the report. This population is defined as MA DOC Custody population. The count will exclude inmates who are transferred outside of the DOC for a long term period of time, inmates who are transferred to a Remand and inmates who are released to an outside hospital. For report purposes, these inmates are reported as OUT-OF-DOC Transfers.

Report Requirements

The Department of Correction shall report the total number of residents per correctional facility; and the number of residents within each facility who are housed in a cell: (i) alone; (ii) with one (1) other person; or (iii) with two (2) or more other people; provided, however, that the Department of Correction and each sheriff provide this residential housing count information not less than weekly to the Department of Public Health.

The dashboard displays the number of inmates incarcerated in the Massachusetts Department of Correction housed in a cell: (i) alone; (ii) with one (1) other person; or (iii) with two (2) or more other people. The table provides counts and a percentage break down. The inmates who are not currently active in a cell are termed as OUT-OF-DOC Transfer, and the table provides a separate count of these inmates.
