ADDITIONAL INFORMATION

****RFQs Due 8/03/**
This is a Construction Management at Risk project under Mass. General Laws Chapter 149A. Interested firms MUST submit a Qualification Statement by the deadline and be prequalified if they are interested in later bidding on this project. DCAM Certification applies for this process. This Request for Qualifications is the first part of a two step selection process for trade subcontractors. First, interested firms must submit the Qualification Statement and then, at a later date, only the prequalified firms will be invited to submit bids for the category of work in which they were prequalified. This required Qualification Statement is different from DCAM Certification, all firms must be qualified for this project, even if they are already DCAM certified. Construction Manager is Dimeo Construction Company and the Designer is Finegold, Alexander & Associates.
