Dear Purchasing Agent,

This letter is to notify you that there will be a change to the deadline for submitting advertisements for publication in the *Central Register*.

Previously, the deadline for submittal was Tuesday of the week before the publication date at 4:00 P.M. All advertisements submitted by this deadline date and time would appear in the *Central Register* on Wednesday of the following week (eight days after the deadline).

Starting the **week of February 15th**, the deadline for publication will be changed to **Thursday** of the week prior to publication at 4:00 P.M. Advertisements submitted before February 18 at 4:00 P.M. will be published in the *Central Register* on February 24, and the same deadline and publication schedule will stay in effect going forward.

Please note that this change to the deadline day does not affect the publication requirements for submitting advertisements to the *Central Register*. The *Central Register* will still be published every Wednesday and bid deadlines must be at least two weeks (14 days) after the date of publication for General Contract and Designer Services advertisements and at least 30 days after publication for Real Property advertisements.

If you wish to view the complete requirements for submitting advertisements to the *Central Register*, please refer to 940 CMR 21.00: *Preparing and Filing Notices for the Central Register*.

If you have any questions or concerns, please contact the State Publications and Regulations Division by email at regs@sec.state.ma.us or by phone at 617-727-2831.
