# SUBJECT INDEX

---

[The Subject Index of the House Journal for 2007-2008 contains the index information for every House bill number and most Senate bill numbers. A compact disc is provided for your convenience in finding Senate and House numbers that appeared in the journal of the House, including all Senate or House measure descriptions as they appear in the Senate Bill History and the House Bill History. For a complete index of all Senate bill numbers for the 2007-2008 Session, see the Journal of the Senate.]

[H followed by a number, and S followed by a number, refer to House and Senate documents numbered for the 2007-2008 Session. See Bill History Index for disposition of House and Senate numbers. See Miscellaneous Index for unnumbered matters.]
