Two parcels of land on North Washington St. in Belchertown, shown as "Lot 138-C" (containing 0.981 acres) and "Lot 138-D" (containing 1.07 acres) on a plan recorded with the Hampshire Registry of Deeds in Plan Book 181, Page 163. Being a portion of the premises described in deed in Book 9862, Page 267. Owned by Marc Dugre, Trustee, The Roger L. Archambault Trust.

ESTIMATED VALUE, SOURCE OF VALUATION:

\$125,000. Negotiated value.

ADDITIONAL INFORMATION

This is a uniqueness determination under M.G.L. c. 30B, § 16(e)(2). The Town has determined that advertising will not be beneficial because of the unique location and qualities of the property. This vacant property abuts Jabish Brook Middle School, which has inadequate parking spaces and traffic problems; the property will provide another means of access to a public way, alleviating traffic, and additional parking. The school is also too small; acquiring this property for the purpose of extending the school thereon will result in enormous cost savings, alleviating the need for a new school to be constructed on some other property.
