DESCRIPTION:					
The MSBA is an issuer of municipal bonds and is seeking quotes from internet portal service providers who offer web based software that will allow the MSBA to customize and maintain a fully responsive investor relations platform website through the provider's portal. The website should allow the MSBA to share data of interest about the MSBA directly with institutional and retail bond investors in real time and should provide for automated simultaneous posting of documents to the EMMA website. Any qualified interested provider should submit a quote for one year of service along with a quote to extend the service for one additional year at the option of the MSBA.
