### AN ACT TO PROTECT THE GROUND WATER SUPPLY.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 The Commonwealth finds there is a constant contamination of  
2 ground water supply directly due to the present system of open  
3 dumping. In order to guarantee a constant supply of drinking  
4 water for the future generations of the Commonwealth, that any  
5 land fill not in compliance with the rules and regulations set by the  
6 Department of Environmental Quality Engineering shall be  
7 closed.
