ADDITIONAL INFORMATION

This is a Construction Management at Risk project under M.G.L. c. 149A. Interested firms MUST submit a Qualification Statement by the deadline and be pre-qualified if they are interested in later bidding on this project. DCAMM Certification applies for this process. This Request for Qualifications is the first part of a two-step selection process for Trade Contractors. First, interested firms must submit the Qualification Statement and then, at a later date, only the pre-qualified firms will be invited to submit bids for the category of work in which they were pre-qualified. This required Qualification Statement is different from DCAMM Certification. All firms must be qualified for this project, even if they are already DCAMM Certified. The Construction Manager is Gilbane Building Co. and the Designer is Ellenzweig.
