sec. 36 is hereby granted on this

Peter A. Wilson, Esq.

Deputy General Counsel

Emergency Waiver No. 3180

Dear Commissioner Gladstone:

We write to request your certification of an emergency at the Division of Administrative Law Appeals (DALA) administrative and hearing offices in Boston, and your waiver of statutory advertising requirements in connection with the acquisition of a new ten-year lease. DALA has reviewed the emergency procurement provisions under G.L. c. 7C, §36 and believes the situation qualifies as an emergency under these provisions.

DALA currently occupies premises at One Congress Street, Boston. The lease expires on July 1, 2019. The Landlord, Bullfinch Congress Holdings LLC, through its representative HYM Investments Group, LLC, (HYM), notified DCAMM that it has accelerated plans to redevelop the site, including the construction of a new office tower that will directly impact the DALA premises. HYM requested that DCAMM and DALA agree to vacate the Premises as soon as possible. HYM stated that it will make DALA economically whole for the costs related to the relocation and premature lease of new premises. This will reduce the Commonwealth's financial obligations associated with an inevitable relocation.

Given the short time frame for the move, we request your certification of an emergency at DALA's offices in Boston, and your waiver of statutory advertising requirements in order to expedite the relocation of this office to premises that meet its needs. We will work closely with DCAMM to confirm HYM's participation, financial and otherwise, in this early relocation.

Thank you in advance for your assistance.

Sincerely,
