HOUSE . . . . . THE 1817

By the Committee on Foreign Affairs, and on a Report from the Secretary of State, relative to the proposed Convention between the United States and Great Britain, for the purpose of settling the boundary between the two countries, in the north-western quarter of the continent.

The Constitution of the United States

In the Year of our Lord one thousand eight hundred and twenty

AND THE HIGHWAY BETWEEN THE STATES OF NEW YORK

It is enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, that the following be the mode of settling the boundary between the two countries, in the north-western quarter of the continent.

1. That the line shall be the same as the western boundary of the State of New York.
2. That the line shall be the same as the western boundary of the State of New York.
3. That the line shall be the same as the western boundary of the State of New York.
