

State Restrictions on Private and Public Gathering Sizes

YOU have the power to save a life.

The COVID-19 pandemic is a serious health issue. As a result, Massachusetts has restricted the size of gatherings to maintain social distancing or require masks.

Indoor gatherings are limited to 8 people per 1,000 square feet, but should not exceed 25 people in a single enclosed indoor space.

Outdoor gatherings in enclosed spaces are limited to 25% of the facility's maximum occupancy with a maximum of 50 people in a single enclosed outdoor space.

Failure to comply with this order may result in a civil fine of up to \$500 per violation.

Save a life. Wear a mask.
