

SENATE No. 58

To accompany the petition of L. Henry Kunhardt relative to the construction of a railroad tunnel between the North and South stations in the city of Boston. Metropolitan Affairs.

The Commonwealth of Massachusetts

In the Year One Thousand Nine Hundred and Thirty-Two.

Resolve providing for an Investigation by the Transit Department of the City of Boston relative to the Construction of a Railroad Tunnel between the North and South Stations in Said City, to make Possible the Gradual Electrification of the Railroads for Improved Transportation within the Metropolitan District.

1 *Resolved*, That the transit department of the
2 city of Boston for the purpose of planning im-
3 provement of transportation and gradual elec-
4 trification of the railroads within the metropolitan
5 district is hereby authorized and directed to
6 investigate the desirability of the construction
7 of a railroad tunnel, ample for passengers, freight,
8 and express matter, between the North and
9 South stations and to report its action hereunder
10 with surveys, plans, estimates of cost and recom-
11 mendations, together with drafts of such legis-
12 lation as may be necessary to effect the same,

13 to the general court by filing the same with the
14 clerk of the house of representatives not later
15 than the first day of December in the current
16 year, and may expend for the purposes of this
17 investigation such sum not exceeding twenty
18 thousand dollars as may hereafter be appropri-
19 ated by the general court.
