Unique Acquisition: 45 College Avenue is located directly across College Avenue from the Somerville Public Library- West Branch. The proximity to the existing library is unique to this property, as the West Branch of the Library is the site of a \$10 million renovation project, including a proposed and highly controversial \$5 million addition. The purchase of 45 College Avenue would allow the proposed space program of the addition, assembly space for 80-100 people, to manifest within the 45 College Avenue property, therefore reducing the cost of the West Branch renovation, eliminating the cost of the proposed addition and responding to constituent concerns about the West Branch addition. 45 College Avenue is actively marketed for sale.
