ADDITIONAL INFORMATION This is a Construction Management at Risk project under M.G.L. c. 149A. Interested firms MUST first submit a Qualification Statement by the deadline and be pre-qualified if they are interested in later bidding on this project. DCAMM certification applies for this process. This Request for Qualifications is the first part of a two-step selection process for trade contractors. First, interested firms must submit the Qualification Statement and then, at a later date, only the pre-qualified firms will be invited to submit bids for the category of work in which they were pre-qualified. This required Qualification Statement is different from DCAMM certification. All firms must be qualified for this project, even if they are already DCAMM certified. The Construction Manager is Barr & Barr, Inc. and the Designer is Ellenzweig.

CAROLE J. CORNELISON
COMMISSIONER

**CERTIFICATION OF EMERGENCY
AND
WAIVER OF ADVERTISING REQUIREMENTS**

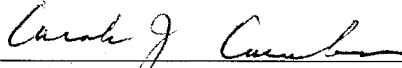

The Commissioner of the Division of Capital Asset Management and Maintenance (DCAM) certifies that an emergency exists, as defined in G. L. c. 7, § 40E, for the following reasons:

The Committee for Public Counsel Services (CPC) employs public defenders who currently provide legal representation to 10% of indigent defendants in criminal and certain civil proceedings within the Commonwealth. Pursuant to § 2 of chapter 68 of the Acts of 2011, CPC must develop and implement a plan in which no less than 25% of indigent defendants in criminal and certain civil proceedings are represented by a public defender by the end of Fiscal Year 2012. CPC expects to hire approximately 346 staff in order to comply with § 2 of chapter 68 of the Acts of 2011.

CPC's scope of service is diverse and provides for the needs of many of the Commonwealth's litigants. A Constitutional crisis could occur if these services are not provided in a timely and effective manner. To ensure that CPC can carry-out CPC's mission to provide constitutionally mandated legal services to the poor and comply with § 2 of chapter 68 of the Acts of 2011, there is a need to procure office space that can be occupied expeditiously. DCAM has been unable to identify state-owned space for the expeditious use of CPC.

DCAM is issuing Invitations for Proposals on behalf of CPC for office space in some or all of the following communities : Barnstable, Boston (downtown), Brockton, Fall River, Framingham, Greenfield, Hadley, Lowell, Malden, Medford, New Bedford, Northampton, Pittsfield, Quincy, Roxbury, Salem, Springfield, Waltham, and Worcester, notice of which will be published in the Central Register. The Commissioner has determined that suitable space that can be occupied expeditiously cannot be procured without waiving the statutorily required advertising. Therefore the Commissioner waives the advertising periods set forth in G. L. c 7, § 40H and the requirement for a proposal-submission deadline. Notice will be placed in the Central Register and in a newspaper with a circulation sufficient to inform the people of the affected localities and, to facilitate timely occupancy by CPC, proposals may be opened upon receipt.

Emergency Waiver of advertising requirements under MGL c.149 sec. 44A (6) is hereby granted on this 16th day of July 2012.

~~Mary-Kathleen McElally~~ *Tara Briggs*
Deputy General Counsel
Emergency Waiver No. 1893

Dear Commissioner Cornelison:

I am requesting your certification of an emergency situation at the Registry of Motor Vehicles (RMV) branch in Danvers and your waiver of the statutory advertising requirement in connection with the acquisition of leased space. The RMV has reviewed the emergency procurement provision under G.L. c. 30B § 8 and G.L. c. 7 § 40E and believes the situation at the Danvers branch qualifies as an emergency under those provisions.

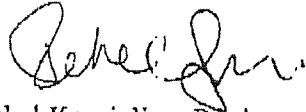

The HVAC system at this location stopped functioning on May 25, 2012. MassDOT provided a portable air conditioning system that is expected to adequately cool the premises throughout the summer months, but heating is unavailable. The landlord has not repaired the HVAC system serving the premises and has not indicated that the system will be repaired or replaced. Heating will be required in as little as two months and an emergency declaration is needed if the RMV is to occupy new leased space by the fall of 2012.

This branch serves the Northeast corner of the Commonwealth and supports 15,000 transactions per month. It is imperative that the RMV continue to operate a facility that serves the communities in this region. If there is no facility serving these communities, the customer base will utilize branches located in Haverhill, Revere, and Wilmington. These branches are not sized or equipped to accommodate such an increase in customer volume and we believe that this would result in health and safety issues at these locations.

The RMV requests that DCAM approve an emergency procurement to expedite the immediate relocation of the Danvers branch. RMV has included a Form 1 and would like to work with your team to develop a generic Request for Proposals (RFP) that would maximize the RMV's options. The RMV is seeking 3,000 to 8,000 usable square feet of space in Danvers, Beverly, Georgetown, Hamilton, Peabody, and Wenham for a term of five years. It is our hope that we can procure space that meets the needs of the RMV as expressed in the RFP, but would like flexibility in the term and other requirements of the RFP to ensure that we are able to take occupancy of suitable space within our limited time-frame. We believe this will allow procurement of leased space in an abbreviated time-frame and allow us to protect the integrity of our operations and the health and safety of our employees and customers.

Thank you in advance for your assistance. Please do not hesitate to contact me if you have any questions or require any additional information.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rachel Kapriclian".

**CONTRACTORS DECERTIFIED BY THE
DIVISION OF CAPITAL ASSET MANAGEMENT**

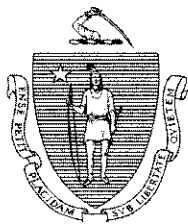

The following contractors are decertified by the Division of Capital Asset Management from bidding on public building work pursuant to M.G.L. Chapter 149. To determine if a contractor is currently certified by DCAM, please check for the contractor's name on DCAM's certified contractors' listings (at www.mass.gov/dcam under Contractor Certification on the "Related Links" menu). In addition, if you are seeking information on debarred contractors specifically, please be sure to also check information posted by state agencies in the Secretary of State's Central Register publication, as well as with the Massachusetts Attorney General's Office, Department of Industrial Accidents, and Massachusetts Highway Department. These agencies and their contact information can be found at the State of Massachusetts web site accessed at www.mass.gov.
