ADDITIONAL INFORMATION This is a Construction Management at Risk project under M.G.L. c. 149A. Interested firms must submit a Qualifications Statement by the deadline and be pre-qualified if they are interested in later bidding on the project. DCAM Certification applies for this process. This Request for Qualifications is the first part of a two step selection process for Trade Contractors. First, interested firms must submit the Qualifications Statement and then, at a later date, only the pre-qualified firms will be invited to submit bids for the category of work in which they were pre-qualified. This required Qualification Statement is different from DCAM Certification. All firms must be qualified for this project, even if they are already DCAM Certified. The Construction Manager is Walsh Brothers and the Designer is Ennead Architects.

**CERTIFICATION OF EMERGENCY
AND
WAIVER OF ADVERTISING REQUIREMENTS**

The Commissioner of the Division of Capital Asset Management and Maintenance (DCAM) certifies that an emergency exists, as defined in G. L. c. 7, § 40E, for the following reasons:

The Committee for Public Counsel Services (CPC) employs public defenders who currently provide legal representation to 10% of indigent defendants in criminal and certain civil proceedings within the Commonwealth. Pursuant to § 2 of chapter 68 of the Acts of 2011, CPC must develop and implement a plan in which no less than 25% of indigent defendants in criminal and certain civil proceedings are represented by a public defender by the end of Fiscal Year 2012. CPC expects to hire approximately 346 staff in order to comply with § 2 of chapter 68 of the Acts of 2011.

CPC's scope of service is diverse and provides for the needs of many of the Commonwealth's litigants. A Constitutional crisis could occur if these services are not provided in a timely and effective manner. To ensure that CPC can carry-out CPC's mission to provide constitutionally mandated legal services to the poor and comply with § 2 of chapter 68 of the Acts of 2011, there is a need to procure office space that can be occupied expeditiously. DCAM has been unable to identify state-owned space for the expeditious use of CPC.

DCAM is issuing Invitations for Proposals on behalf of CPC for office space in some or all of the following communities : Barnstable, Boston (downtown), Brockton, Fall River, Framingham, Greenfield, Hadley, Lowell, Malden, Medford, New Bedford, Northampton, Pittsfield, Quincy, Roxbury, Salem, Springfield, Waltham, and Worcester, notice of which will be published in the Central Register. The Commissioner has determined that suitable space that can be occupied expeditiously cannot be procured without waiving the statutorily required advertising. Therefore the Commissioner waives the advertising periods set forth in G. L. c 7, § 40H and the requirement for a proposal-submission deadline. Notice will be placed in the Central Register and in a newspaper with a circulation sufficient to inform the people of the affected localities and, to facilitate timely occupancy by CPC, proposals may be opened upon receipt.
